**RESPONSE OF THE OFFICE OF RATEPAYER ADVOCATES TO THE
RULINGS REQUESTING MEET AND CONFER RESULTS AND
RECOMMENDATIONS**

I. INTRODUCTION

Pursuant to the December 13, 2016 Joint Ruling of Assigned Commissioner and Assigned Administrative Law Judge Directing Parties to Provide Additional Recommendations for Further Procedural Actions and Substantive Modifications to Decision 14-11-040, and the May 26, 2017 Administrative Law Judge's Ruling Granting Motion of the Meet and Confer Parties to Extend Dates for All-Party Meet and Confers, and Request Additional Information from Utilities, the Office of Ratepayer Advocates ("ORA") respectfully submits the following report on the results of the meet and confer sessions, along with its recommendations.

II. MEET AND CONFER RESULTS

With the assistance of a mediation team, the parties engaged in extensive settlement efforts, including: in-person mediation meetings, joint phone calls, and written email exchanges. However, as of the submission of this filing, the parties have not secured a settlement.

III. RECOMMENDATIONS

ORA recommends that a prehearing conference (“PHC”) be set in order to determine: scope, procedural next steps, hearing dates, and a briefing schedule. ORA further recommends that the PHC be held in Southern California, in order to be proximate to the communities impacted by this proceeding.

ORA also reserves its right to engage in additional discovery¹ and to recommend additional disallowances and refunds, beyond its previously filed substantive recommendations.

IV. CONCLUSION

ORA stands ready to continue coordination with the SONGS intervenors, and to resolve this proceeding through litigation.

Respectfully submitted,

/s/ EDWARD MOLDAVSKY
